

**Prof. Dr. Golam Mohiuddin Faruque**  
**Project Director and Joint Secretary, Bangladesh Cancer Society**  
**Professor & Former Head, Department of Radiotherapy Dhaka Medical College**

I am the immediate past Head of the Department, Department of Radiotherapy, Dhaka Medical College (DMC) Dhaka, Bangladesh. Now I am working as Project Director (Team Leader) of a joint project of the American Cancer Society, Cancer Research UK, Dhaka University, WHO and Bangladesh Cancer Society. I have served 34 years as an Officer of the Ministry of Health and Family Welfare (MoHFW), Government of the People's Republic of Bangladesh at 14 different locations throughout the country. I have been a seasoned health economist with 16 years of experience, as well as an oncologist with 22 years of experience. I have acquired knowledge in Health Sector on policy issues, financing and economic evaluation of different health programs as well as experienced in the areas of Health Sector Management, Administration, Epidemiology, Disease Burden and Prevention of Diseases. I have successfully completed a five-year Project of International Atomic Energy Commission IAEA as Project Director in 2014. Currently I am the EC member of the Bangladesh Society of Radiation Oncologists, Founder Councillor of the Federation of Association for Asian Radiation Oncology (FARO- a 14 nations international organization of Radiation Oncologists.) and Joint Secretary of Bangladesh Cancer Society.
